

INVENTORY, TRAINING & SUPPORT

Canada's Smart Building Solutions Distributor 

YOUR COMPLETE SOLUTION

At Canada Controls we distribute the full solution, bridging hardware and software together, serving all of Canada. We're proud to represent some of the industry's top manufacturers, while offering one of the largest inventories of building automation controls at the core of today's smart buildings.

SPECIALTIES INCLUDE:

- HVAC / BAS CONTROLS
- BUILDING AUTOMATION
- ELECTRIC CONTROLS
- PNEUMATIC CONTROLS
- BURNER BOILER CONTROLS
- NETWORKING & INTEGRATION

OUR BRANCH LOCATIONS

Toronto, Ontario (HQ)

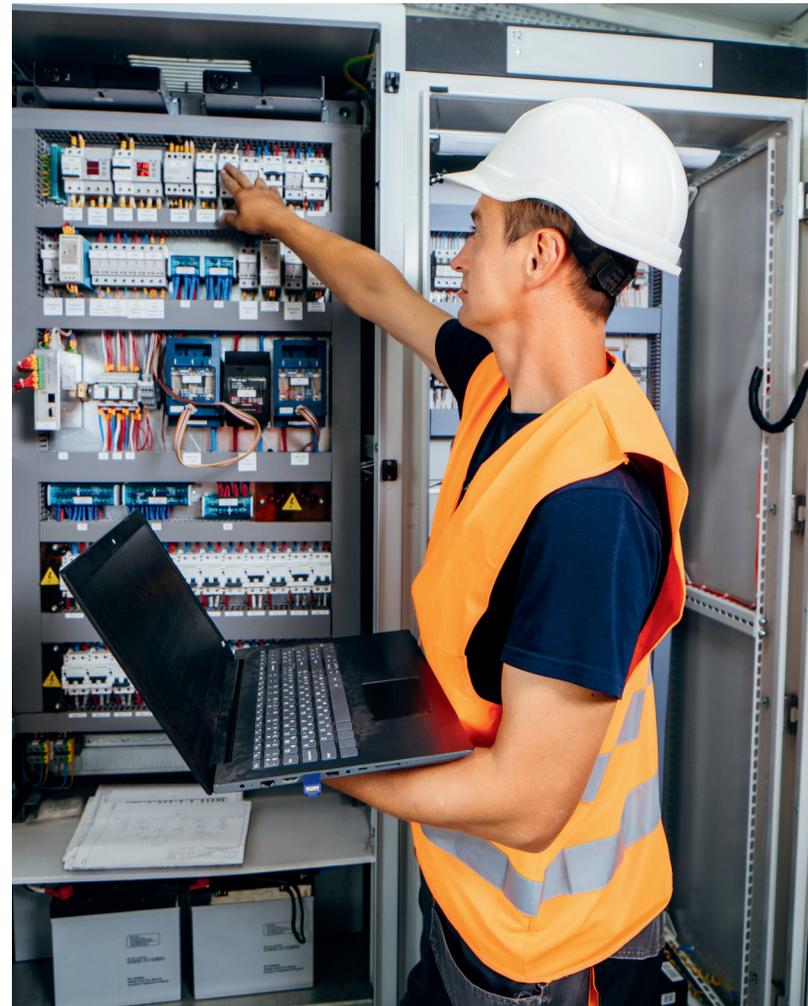

1020 Brevik Place, Unit 3
Mississauga, ON L4W 4N7
(289) 734-0052

Regina, Saskatchewan

1825 Macrae Dr,
Regina, SK S4n 0R9
(886) 584-2844

THE TRAINING YOU NEED

From Niagara certification to valve systems, combustion theory, pneumatics, networking, and more—our training lineup delivers the hands-on skills and technical expertise you need to stay ahead in building automation.

ACI a DwyerOmega brand
BAS Sensors & Transmitters

ACTi
Video Surveillance & Analytics

Altronix
Security Power Solutions

ASCO
Solenoid Valves & Actuators

ASI Controls
Building Controls, BAS Software, & Field Components

Axis Communications
Video Surveillance

Azure
Smart Building Solutions

BAPI
BAS Sensors & Transmitters

Baudrate
System Integrations & Vertical Solutions

Belimo
Actuators, Control Valves, BAS Sensors, & Gas Detection

Blue Ridge Technologies
Unified Lighting Control Systems

Cleveland Controls
Air Flow Pressure Sensing

Connect Air
Wire & Cable

Contemporary Controls
Networking & Controls

Dent Instruments
Power Metering & Monitoring

Distech Controls
Building Controls, BAS Software, & Field Components

Dormakaba
Access Controls & Security

Dungs Combustion Controls
Fuel valves, regulators, gas/air switches and valve proving systems

DwyerOmega
Sensor, Monitoring, & Control Solutions

EasyIO
Building Controls

Finder
Relays, Bases & Timers

Fireye
Flame Safeguard & Integrated Scanners

Functional Devices
RIB Relays, Current Sensors & Power Supplies

Greystone
HVAC temperature, pressure, & current sensors

HID Global
Access Control

Honeywell Building Technologies
Building controls, BAS software, field components

Honeywell Home (Resideo)
Residential Comfort & Combustion

Honeywell Thermal Solutions
Flame Safeguard & Combustion

iSMA Controlli
Building controls

Johnson Controls
Building controls, BAS software, field components

Kander
Metasys to Niagara Conversion Service

Kantech
Security Solutions

KMC Controls
Field Components, Building Controls, & BAS Software

KODE Labs
Smart Building Software

LumenRadio
Wireless 485 Communication Solutions

Lynxpring
BAS Software & Building Controls

Maxitrol
Gas Regulators, Selectra & Gas Filters

MaxLine Solutions
System Integration Drivers

Milestone
Security Solutions

Monnit
Remote Monitoring & Wireless Sensors

Neeve
Cyber-Physical Security (CPS) Platform

Neopsis
C-Bus Integration Devices

Neptronic
Hardware & Software Integration

NiagaraMods
Reflow Graphics Package for Niagara

Phoenix Contact
Industrial Controls, Panel Accessories, & Networking

Prolon
Light Commercial Building Controls

PurpleSwift
Siemens Apogee to BACnet Platform

Quicklink Solutions
System Integration Drivers

Schneider Electric
Building Controls, Lighting & Field Devices

Senva
Air Quality/Gas, Electrical Monitoring & Pressure Sensors

Siemens
Valves, Actuators, Enclosures, & Field Components

Southwire Genesis
Wire & Cable

Tekmar
Snowmelt & Boiler Controls

Tosi
Purpose-built Cybersecurity Platform

Viconics
Building Controls

Vykon by Tridium
Building Automation & Access Control Platform

Yaskawa
Variable Frequency Drives

ZKTeco
Access Control
